Expansion of cooperation between the National Bank of Tajikistan and the National Bank of Switzerland

14.10.2023

On the sidelines of the Annual Meetings of the International Monetary Fund and the World Bank Group in the city of Marrakesh of the Kingdom of Morocco, the Chairman of the National Bank of Tajikistan Hokim Kholiqzoda held a working meeting with the Chairman of the National Bank of Switzerland Thomas Jordan.

Hokim Kholiqzoda expressed satisfaction for the fruitful cooperation and emphasized that relations between the countries are developing day by day in various spheres of economy. Chairman of the National Bank of Switzerland Thomas Jordan, in turn, noted the high level of bilateral cooperation and expressed readiness to expand cooperation, including in the field of ensuring sustainability of the banking system of Tajikistan.

During the meeting, the parties considered the possibilities of continuing cooperation on capacity building of the employees of the National Bank of Tajikistan in the field of operational risk management, international reserves management and organization of the visit of the specialists of the National Bank of Switzerland to Dushanbe next year for training and consultations.

At the end of the meeting, Hokim Kholiqzoda and Thomas Jordan expressed their willingness to strengthen mutually beneficial cooperation.
